Metal and Marble Maintenance

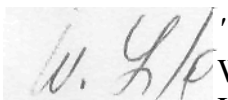

November 1, 1995

Mr. S. O. Agonian International
Creative Metals 37-28 61st Street
Woodside, New York 11377-2538

Dear Mr. Agonian:

Aztec Metal and Marble is awarding you with the repair and casting of Architectural and Ornamental Metal as part of our contract for the New Amsterdam Theatre. All work will have to be completed in various phases and each item of each phase will be estimated and priced accordingly. Total project will last approximately 15 months. All of your paper work and mark ups have been approved by Landmark Associates and they are looking forward for progress on the job.

Congratulations,

Walter
