RE: **METAL GATES AT TOWER 49®**

Dear Mr. **Agonian**,

It would like to take this opportunity to applaud you and your fine staff on the excellent workmanship used in creating the metal lobby gates which have graced our building over the last few years. They continue to look beautiful and add that extra ounce of security we required.

We are constantly complimented on their design and YOUR craftsmanship. Thank you again for your help and I am sure I will be calling upon you again to solve another "unusual" problem.

Regards.
