Re: 230 Park Avenue - Lobby

Dear Mr. Agonian:

I would like to take a moment to thank you for the efforts you put forth to help restore the architectural bronze work in the lobby at 230 Park Avenue.

Your attention to detail and the quality of your work has helped to restore this Landmark Building to it's original grandeur. The accuracy with which you created decorative bases and grillwork make it impossible to distinguish the new from the original.

I look forward to working with you in the future.

Sincerely,

Philip J. Ruck
Property Manager
